11. Where a scrimmage occurs, the umpire is to stop play, send players back to their positions and throw the ball up.
12. A ball kicked out of bounds results in a free kick to the opposition (This is an opportunity to give a possession to a player who has not had many possessions). If in doubt about who kicked it, or if it goes out off hands or body, a ball up occurs 10 meters in from the boundary line.

20. Whilst a player in possession of the ball is moving, the player must bounce the ball within 10 meters, irrespective of whether the player is running in a straight line or otherwise. The player must then dispose of the ball within another 10 meters. (i.e. **may not bounce the ball a second time, nor play the ball to themselves. e.g. handball in front and regain possession**)
